

After School Recreation...

... a great way for kids to have fun after school. Stay & Play is designed to provide supervised recreation for kids. Activities include traditional playground games and sports such as kickball, basketball, dodgeball, football and foursquare, along with other group games. Recreation leaders are on-site at each school, every day to supervise and organize activities. The program is open to children currently enrolled in grades 1-6 attending the schools listed, or living in the surrounding neighborhoods. **Children should bring a snack each day. The program hours are Monday-Friday, from school dismissal until 5:00 pm.** On non-school days no program is held. Participants will be charged an additional \$10 starting at

5:00 pm, when picked up late and an additional \$10 for every 10 minutes thereafter.

Stay & Play monthly enrollment is on a first come, first serve basis. We recommend registering early and for more than one month at a time. Stay & Play is a popular program and fills up quickly.

Registration fee varies month to month (see chart below). Non-residents pay an additional \$10 annual fee per school year, per child. For more information, call (408) 586-3210.
